

## EBA Global Seminar 2025

Toronto, Canada, 6 and 7 November

### Global Payments: Towards Real-Time Transactions, Open Finance and Improved Liquidity Management

The **EBA Global Seminar “Global Payments: Towards Real-Time Transactions, Open Finance and Improved Liquidity Management”** will assess the current status of real-time payment and open finance initiatives in and outside of North America and Europe.

What are the strategic imperatives and what can we learn from the developments in these markets?

During the seminar, speakers from the Americas, Asia and Europe will provide an in-depth insight and understanding into the fast-changing world of real-time payments, liquidity management and open finance, and the key commercial, technological, security and user challenges facing banks and their partners in embracing these changes.

## Program EBA Global Seminar 2025:

### Thursday, 6 November 2025 – Real-time payments, Open Finance and new business models

<b>1:00 pm</b>	<b>Arrival and Registration</b> Delegates arrival and check-in
<b>2:00 pm</b>	<b>Welcome and Introduction</b> A brief welcome to the delegates to outline the key activities and highlights for the seminar
<b>2:15 pm</b>	<b>Implementing the G20 Roadmap for Enhancing Cross-border Payments</b> The Financial Stability Board continues to push forward to implement the G20 Roadmap for Enhancing Cross-border Payments. This session will provide a summary and lead a discussion of its implications for banks and payment market infrastructure operators.
<b>3:00 pm</b>	<b>Executing the Cross-border Payments Roadmap</b> Bank and technology providers have heard the call to improve cross-border payments. A leading solution provider will share with us the various operational models for executing the G20 roadmap as well as a case study from an implementation.
<b>3:45 pm</b>	Coffee break
<b>4:30 pm</b>	<b>Global Liquidity Management using a Global Virtual Ledger</b> The session will explore how real-time payment flows, cross-border flows, global liquidity management and Open Banking can fit together to provide a unified and truly global experience to corporate customers and maybe any customer.
<b>5:15 pm</b>	<b>Fraud management in the modern payments ecosystem</b> Real-time payments and instant payments make transactions flow more freely for fraudsters. What tools are available for preventing and managing this problem and how are they being employed?
<b>6:30 pm</b>	<b>Drinks reception</b> An opportunity for delegates to meet each other and the EBA Global Seminar faculty in a social setting.
<b>7:00 pm</b>	<b>Dinner</b>

### Friday, 7 November 2025 – Regional and cross-border payments

<b>8:30 am</b>	<b>Arrival and Coffee</b>
<b>9:00 am</b>	<b>Summary of Day 1 and Preview of Day 2</b> A summary of the main topics and learnings from the previous day, and a look ahead to the day's sessions.
<b>9:15 am</b>	<b>Modernization Journey of Canadian Payments</b> The growing need for a seamless and inclusive payments experience that meets the needs of consumers, corporates, and public policy objectives has led to an ongoing program of modernization. What forces are shaping payments in Canada and what impact will these have in the future?
<b>10:00 am</b>	<b>Real-time payments in Canada; a Progress Report</b> The Real-Time Rail (RTR) has been underway for several years. Payments Canada will give an update on the progress to date and the intentions for the future.
<b>10:45 am</b>	Coffee break

## Friday, 7 November 2025 – Regional and cross-border payments (continued)

<b>11:00 am</b>	<b>Leveraging Existing Investments in Cross-border Payments</b> With the amounts invested historically, re-using disparate payment systems and operating models for cross-border payments is essential. How can the industry remain cost-effective by harmonizing different approaches to cross-border payments?
<b>11:45 am</b>	<b>Driving Adoption of Real-Time Payments by Corporates in the United States</b> The desire to use faster payments has seen both drivers and resistance from corporate customers. This session will explore what benefits resonate with corporate customers, which don't, the real driver for corporate demand of real-time payments, and what adoption might look like in the future.
<b>12:30 pm</b>	Lunch
<b>2:00 pm</b>	<b>Open Banking Innovation in Mexico</b> Mexico has a thriving and innovative Fintech scene that is creating momentum in one of the largest financial services markets in the Americas. Open Banking is a key enabler of this innovation. This session will illuminate how it is being used and the effects it is having on innovation, financial inclusion, and economic digitalization.
<b>2:45 pm</b>	<b>Money Makes the World Go Round! Or is it Regulation?</b> Changes in European payments are being driven by a number of regulations: Payment Systems Regulation, Payment Services Directive 3, Instant Payments Regulation, and others. This panel will describe the changes taking place and the impact they are having on the industry.
<b>3:30 pm</b>	<b>Closing Comments and Feedback</b> Review of the day, its lessons and its implications for the delegates' future work
<b>4:00 pm</b>	<b>End of the EBA Global Seminar 2025</b>
